1 Revenue figures are Accounting Today estimates based on firm reports; all other figures are firm-supplied. 2 Firm reports business offices, not every physical location. It also reported its fee split as both a rounded percentage (given here), and exact dollar amounts (given in the Databank on page 8). 3 For its fee split, RSM US reported both rounded percentages (given here) and exact dollar amounts (given in the Databank on page 8). 4 Total personnel includes professionals in Grant Thornton's Shared Services Center in Bangalore, India. 5 CLA does not have a headquarters location — there is no single place from which the firm is controlled or directed. Individual teams/offices are empowered to make decisions as much as possible. 6 Office figures are for CBIZ; MHM has 30 offices.
